Village Church

2024 IMPACT REPORT

We exist to see people transformed into fully devoted followers of Jesus.

10,413

people have meaningfully engaged with Village Church in 2024

As a part of a group, served on a team, given financially, checked into Village Kids or Youth, been baptized, or signed up for a ministry role!

services

4,835+

people experience and engage in a Sunday service each weekend

3,510 people physically at one of our seven Village Church locations.

1,325 devices join in online on a Sunday (at least one person per device and often more such as home churches with 25 people meeting).

3,300

more people watch or listen to each sermon via our YouTube channel, website, or podcast from over 80 countries the 90 days after it airs.
